

# Laboratory Notebooks

Keep information safe and well organized with Laboratory Notebooks by Heathrow Scientific. The Lab Notebooks can be used for a variety of applications from recording research data, experimental procedures, design and development ideas, admissibility as court evidence and more.

- Smyth Sewn binding allows pages to be held in more securely and books to lie flat when opened
- Archival-quality pages are numbered, acid-free, pages include spaces for title, date, project number, book number, date, and witness signature
- User data, notebook instructions, table of contents, periodic table, and conversion tables are included in every book
- Admissible as court evidence when used as prescribed by law
